

2022-23 IMPACT REPORT

Statistics for this report are compiled from July 1, 2022 – December 31, 2023

homewardboundwnc.org

Since adopting the **HOUSING FIRST** model in 2006, Homeward Bound has moved 2,615 people into housing.

COMPASS POINT VILLAGE opened in September 2023 after converting a local motel into 85 permanent supportive housing units for Asheville's most vulnerable, chronically-homeless community members.

AHOPE
WELCOMED 1,439+ unhoused community members, providing thousands of showers, hot cups of coffee, and pairs of socks!

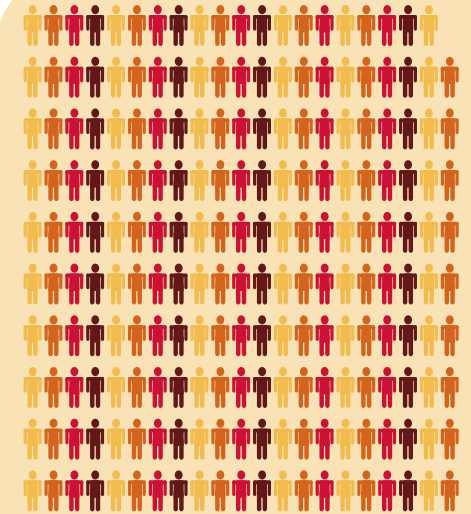

OUR WELCOME HOME DONATION CENTER transformed 176 housing units into homes by delivering \$204,605 of gently-used furnishings donated by you—our generous community!

OUR OUTREACH TEAM helped 265 people living outside on the streets, in cars, under bridges, and in tents—linking them to critically needed services, including:

- emergency shelters
- medications
- medical care
- mental health
- substance use disorder services

WE ENDED HOMELESSNESS for 210 People, including 80 Veterans.

WE PREVENTED HOMELESSNESS for 690 People, including 509 Veterans.

WE PARTNERED with 90 landlords, arranging 140 leases that provided stable housing.
