FOR IMMEDIATE RELEASE

Food Lion Feeds Charitable Foundation Awards Grant to Homeward Bound of WNC

Nourishing our Neighbors grant increases access to nutritious food; provides nutritional education

ASHEVILLE, NC –

Homeward Bound has received \$3,200 from the Food Lion Feeds Charitable Foundation to help nourish neighbors experiencing hunger. The Nourishing our Neighbors grant supports community feeding partners by helping neighbors increase their access to nutritious food and providing nutrition education to eliminate health risks for those experiencing food insecurity.

Food Lion Feeds Charitable Foundation's gift will directly strengthen Homeward Bound's mission to prevent and end homelessness in Buncombe County by ensuring that every neighbor who walks through the doors of the AHOPE Day Center has access to a healthy, reliable source of food. AHOPE serves more than 1,500 individuals experiencing homelessness each year, many of whom lack consistent access to nutritious meals. By funding the purchase of nutrient-rich food, this gift meets a critical basic need that allows our clients to stabilize, rebuild trust, and fully engage in the services that help them exit homelessness. Ensuring that every person is fed when they arrive enables our team to more effectively support them on their journey from crisis to stability, advancing our core mission of moving people into safe, stable homes.

The Food Lion Feeds Charitable Foundation is committed to supporting families facing food insecurity across its 10-state footprint. Established in 2001, the Foundation provides financial support for programs and organizations dedicated to feeding local neighbors in the communities it serves. Since its inception, the Foundation has awarded more than \$25 million in grant funding to help nourish communities with fresh food.
